Executive Summary

Drop Ease offers reliable, app-free logistics in Colombo. We serve SMEs and online businesses. Our services are eco-conscious and affordable. We use electric and petrol bikes. Direct WhatsApp communication ensures personalized service. We eliminate delivery confusion and delays. Our support is hands-on.

Drop Ease is a modern hybrid delivery provider. We offer reliable, app-free logistics services. Our fleet uses electric and petrol bikes.

Scope of Work & Goals

Our operations cover daily deliveries across Colombo zones. We use WhatsApp for rider coordination. We prioritize peak-hour deliveries. Our model focuses on eco-first logistics. We use electric bikes for sustainable transport.

CHALLENGES

Unreliable SLAs in market.

Poor app-based communication.

Delays during high demand.

GOALS

95%+ same-day delivery success.

Real-time human support.

Seamless, app-free management.

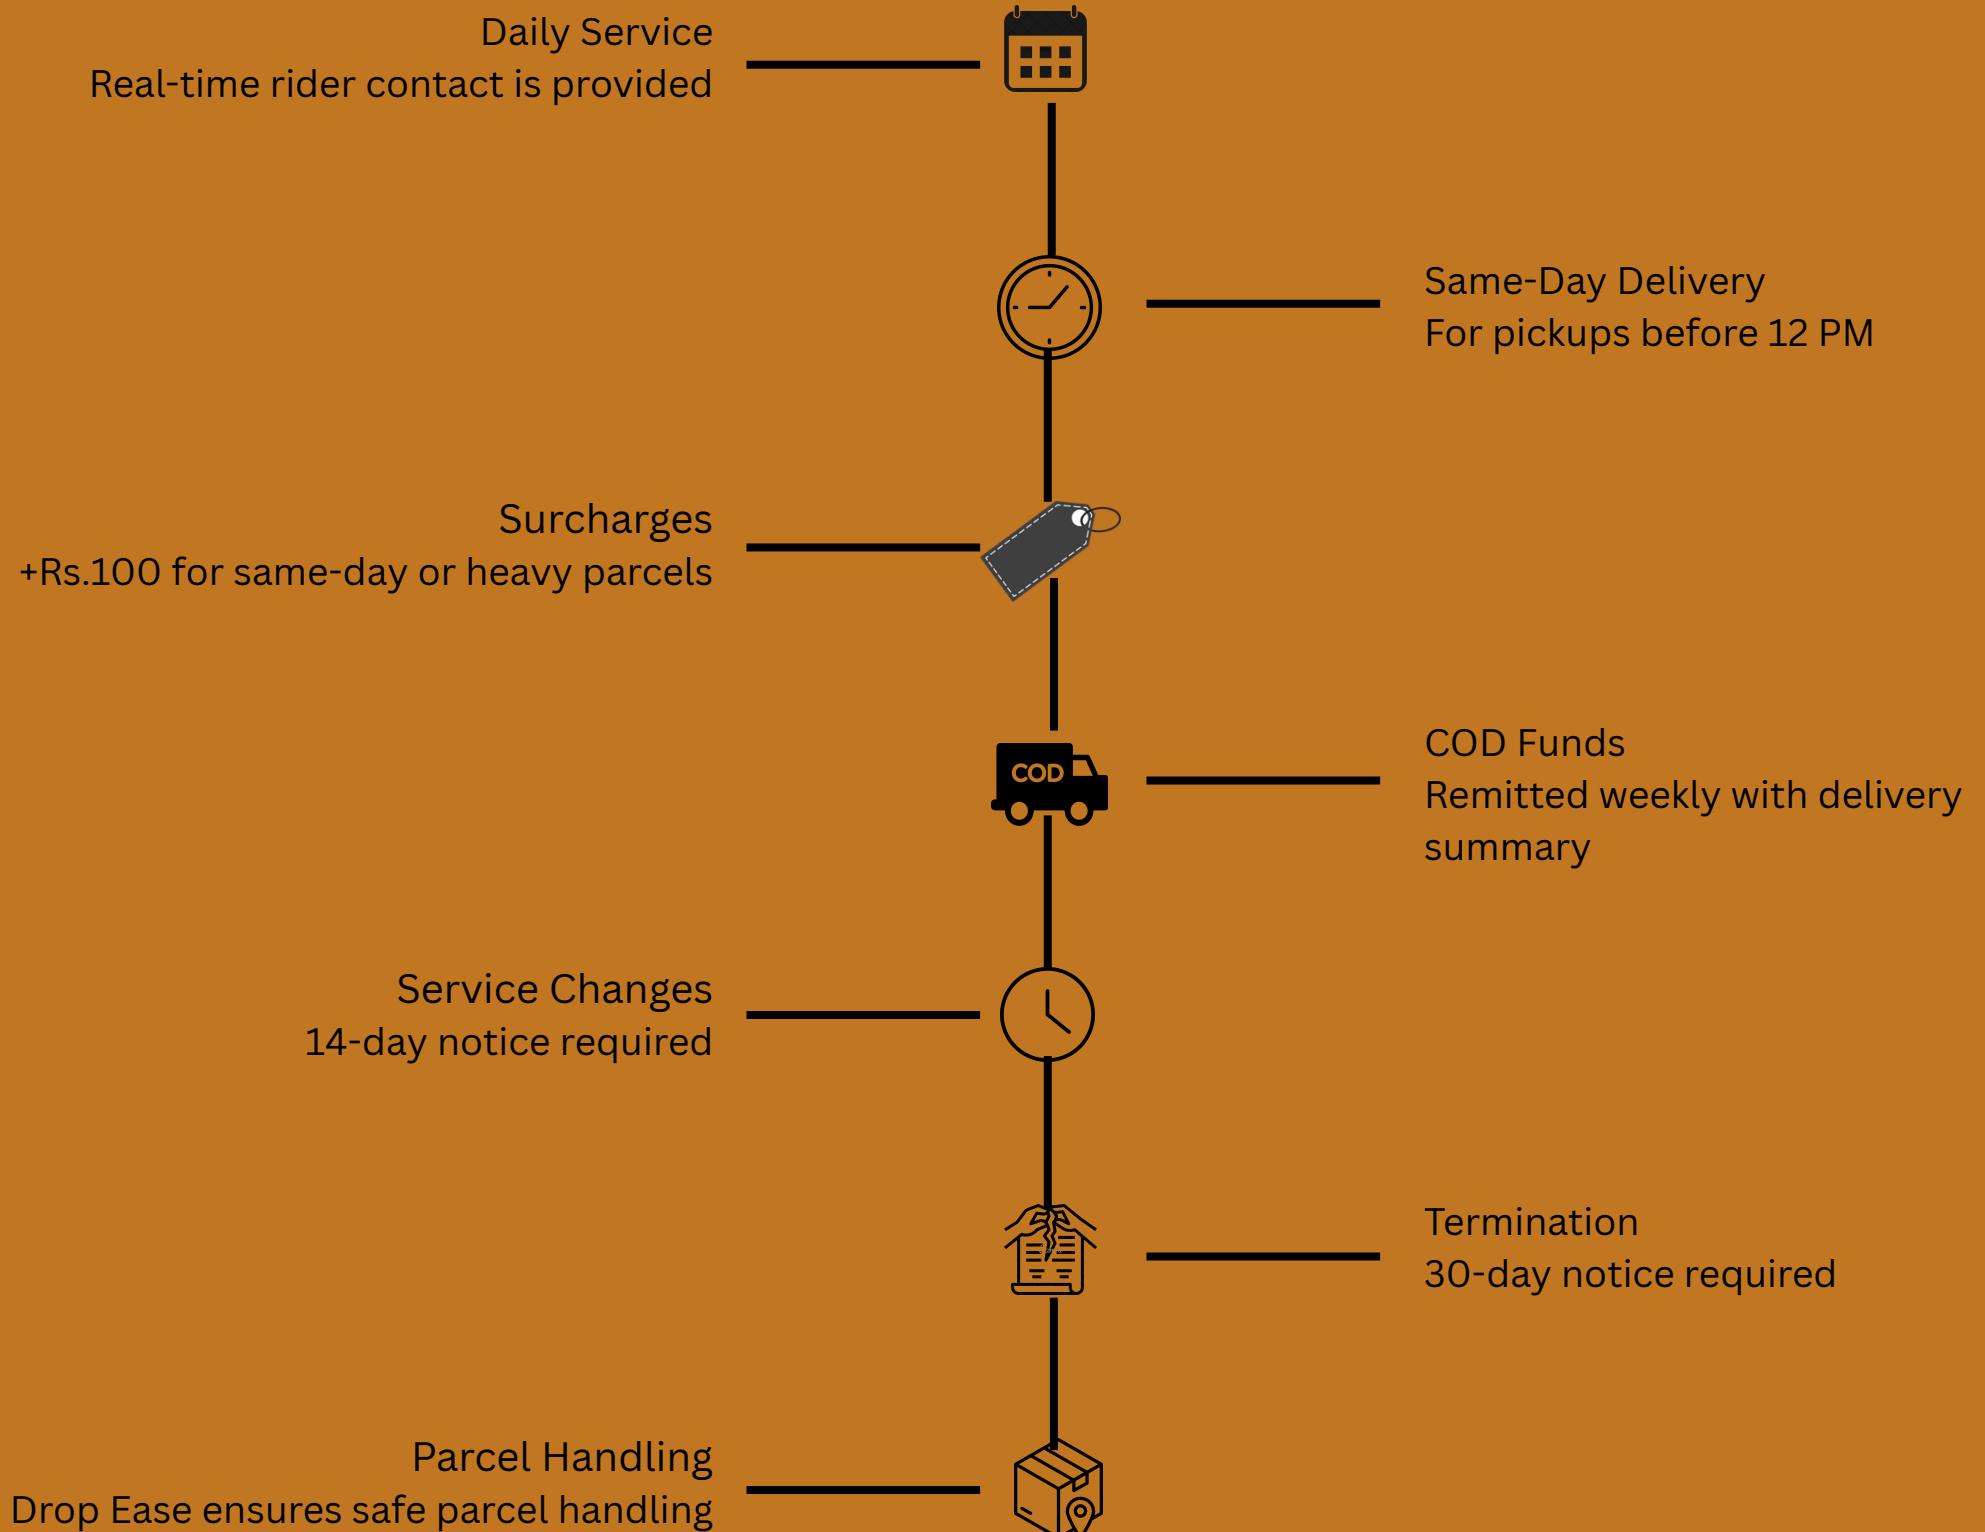

The Courier Service Process

The courier service process moves goods from the supplier to the warehouse, then through the distribution center, and finally delivers them to the end customer.

Terms & Conditions

Our terms ensure clear expectations and smooth operations. We prioritize parcel safety and timely remittances. Any service changes require proper notice.

Number of Deliveries completed

6500+

Collaboration & Growth Plan

Our Vendors

Currently, we work with about 5 regular vendors, all of whom offer eco friendly products and packaging. While we do not currently handle perishable products like food, we are working to expand our services in the future. Our delivery lead time is currently 2-3 days.

Our Riders

We are currently in the process of recruiting additional riders to join our team. At present, we have one full-time rider and two part-time riders. If needed, one of our also will assist with package deliveries during busy periods.

Service Areas & Pricing

Our pricing is transparent and competitive. We offer various rates based on Colombo zones. Add-ons cover same-day delivery and heavier parcels.

LKR 300

Colombo 01 - 15

LKR 500
